Product Description:

- This lot contains a 2009 Bluebird 67 Passenger Handicap Accesible School Bus.
- The bus appeared to be complete but the batteries were low on voltage but held voltage after starting.
- The A/C was not blowing cold on the day of consignment.
- The rear breaks electric solenoid is stuck engaged and the bus would not move.
 - The school mechanic is going to look into the problem and the description will be updated after it has been repaired.
- The handicap lift was fully functional last time it was used, but the power was intermittent on the day of consignment but the problem might be battery related.
- Personal Inspections are Recommended.
