Description:

This auction listing is for a classic 1969 Ford Torino GT 429 Coupe. This car is a complete, running and driving car. The car is being auctioned from a Estate of Herbert Jones. The vehicle does have minor rust over the rear fenders and cosmetic damage to the passenger front fender and hood area (see pictures). The car appears to be originally painted Blue from the factory but has been previously repainted to the current color (factory paint code was not verified going by door jamb color). Personal inspections are recommended. The Vehicle is located at Gavel Roads Office for personal inspections prior to auction ending.
