**Product Description:**

- This lot contains a Craftsman Vacuum.
- The Vacuum has a 6.0 HP and a 17.0 Blowing MPH.
- The vacuum appears to be fully functional on the day of consignment.
- The items were used for service for Spivey Oilfield Services Inc. until they recently closed up shop.
- Please see pictures for more description.
- Personal Inspections are recommended.

- Open House is scheduled for **September 18, 2020** from **9:00AM-4:00PM** at 115 S. Main Spivey, KS 67142.
  - For all inspections and previews prior to the auction ending.
  - Spivey Oilfield Services Inc. has served the area community for several years but recently has decided to close their doors.
  - All of their company assets are being sold in absolute auction ending on September 22, 2020 starting at 10am.
- Pickup is scheduled for **September 24 & 25** from **9:00AM-5:00PM only**. There will be equipment on site for loading assistance. Loading assistance and equipment for loading will only be available on the 2 days of open pickup. There will be a few large items in the auction that the buyer will need to provide their own loading assistance for these items. These items will be identified in the product description. If other arrangements are required, you must contact the consignor.
