Product Description:

- This lot contains a 1997 Peterbilt 357 Gin Pole/ Winch/ Derrick Rig.
- The truck appeared to be fully functional on the day of consignment.
- The truck comes with a Derrick Pole Setup for the rear, its not currently attached to the truck but it is included (see pictures).
- The bed has 3 PTO Driven Winches, they were not tested at the time of consignment, but were functional last time they were used.
- The Rig is being sold as a loaded, tooled, functional unit.
 - All tools shown in the pictures of the toolboxes and along the bed are included with the truck.
- The items were used for service for Spivey Oilfield Services Inc. until they recently closed up shop.
- Please see pictures for more description.
- Personal Inspections are recommended.
- Open House is scheduled for **September 18, 2020** from **9:00AM-4:00PM** at 115 S. Main Spivey, KS 67142.
 - For all inspections and previews prior to the auction ending.
 - Spivey Oilfield Services Inc. has served the area community for several years but recently has decided to close their doors.
 - All of their company assets are being sold in absolute auction ending on September 22, 2020 starting at 10am.
- Pickup is scheduled for **September 24 & 25** from **9:00AM-5:00PM only**. There will be equipment on site for loading assistance. Loading assistance and equipment for loading will only be available on the 2 days of open pickup. There will be a few large items in the auction that the buyer will need to provide their own loading assistance for these items. These items will be identified in the product description. If other arrangements are required, you must contact the consignor.
