**Product Description:**

- This lot contains a Custom John Deere Turbine Powered Vehicle.
- The turbine powered vehicle appeared to be in complete condition on the day of consignment, but the starter connection is broken and the starter will need to be replaced.
- The functionality of the turbine engine was not able to be verified because of the issue with the starter.
- The vehicle was built for parades and special events.
- It comes with an owners manual documenting the build specifications, pictures, schematics, and models of parts used to complete the build.
- The builder is Nathan Wood of Norman, OK.
- Personal Inspections are Recommended.

**Pickup:**

The seller requires a minimum 48 hour notice prior to pickup/load out after the auction ends. The seller does have equipment available to assist with loading.
