Product Description:

- This lot contains a Troy-Bilt 6,200 Watt Generator w/ Electric Start.
- The generator appeared to be in complete but the fuel system will need to be cleaned to be functional.

- It is said that the generator was fully functional last time it was used but the functionality of the generator was not able to be verified.
 - The motor functionality was verified using starting fluid (see video).
 - The electric start was functional and the battery was low on voltage but started with assistance.
- Personal inspections are recommended.
