Staggered and extended bidding times:

Lots will end 1 minute apart. When an item receives a bid during the last 1 minute before its closing time, that item's end time will reset to 1 minute. This will impact the time remaining of all following lots. The reset of time is done to allow all bidders a chance to win. All lots will close and sell when there are no more bids after 1 minute.

Payment Information:

- Upon the close of each lot, the winning bidder will immediately receive a confirmation e-mail and/or text from Gavel Roads that they have won the item.
- The winning bidder will receive an invoice of total purchases from Gavel Roads via e-mail as soon as the entire auction has completed.
