**Product Description:**

- This lot contains a 1999 LTC Passenger Bus.
- See ***Documents tab*** for details regarding work performed on this activity bus. Majority of the work was completed by Kansas Truck and Central Power Systems & Services.
- The Passenger Bus appeared to be in good usable condition at the time of consignment.
- AC for driver and passengers was cold during consignment.
- Bathroom door handle on the bus is not in good working condition. Can lock the door from the inside.
- DVD player and TV's operate in good used condition.
- Only selling due to capacity issues and lack of use. Looking to use other services or units to manage large team activities.
- Bus carries 40-47 passengers.
- Jake brake is inoperable. School decided not to repair as it was not necessarily needed for their operation.
- See pictures and videos for more details.
- Personal inspections are recommended.
- Bus is located at Gavel Roads facility.
